

## AS-QK01-C6

Six benchmarks pneumatic chuck

**Description:** Six benchmarks center;  
Base with fine-tuning  
the installation 130mm;  
Center spacing  
8000N locking force;  
Automatic jet cleaning;  
For CNC machining;

**Size :** 380X290X93  
**Material:** Powder made of steel quenching;  
**Apply:** Standard pressure 6Pa  $\pm$  0.5
