

AS-QK01-C3

Three benchmarks pneumatic chuck 100

Description: Tetrad benchmarks center;
Base with fine-tuning
the installation 130mm;
Center spacing
8000N locking force;
Automatic jet cleaning;
For CNC machining;

Size : 380X160X93
Material: Powder made of steel quenching;
Apply: Standard pressure 6Pa $\pm$ 0.5
