

AS3-QK100-C6

Six benchmarks pneumatic chuck

Description: Six benchmarks center;
Base with fine-tuning
the installation;
Center spacing 130mm;
8000N locking;
Automatic jet cleaning;
For CNC machining;

Size : 460X264X72
Material: Powder made of steel quenching;
Apply: Standard pressure 6Pa $\pm$ 0.5
